Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment – including your personal identifying information – may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, are available for public inspection in their entirety.

I am submitting a comment in support of the Copper Flat mine. The United States needs responsible domestic production of natural resources. The Copper Flat mine will produce copper and other valuable metals right here in New Mexico and will operate according to federal and state regulations that are in place to protect workers and the environment. I am asking the BLM to complete the process quickly to allow Copper Flat to operate as soon as possible.
